Article 2

Taking into account the provisions laid down in Article 1 of this Protocol the EFTA States shall, based on reviews requested by Egypt, accord for products listed in the Table to this Protocol, originating in Egypt, treatment no less favourable than that accorded to the European Community.

Article 3

1. The EFTA States shall notify Egypt at an early stage, at least before the entering into force, of all measures applied under Article 1 of this Protocol.

2. Egypt and the EFTA States shall inform each other of all changes in the treatment accorded to the European Community.
