Article 2

Taking into account the provisions laid down in Article 1 of this Protocol, the EFTA States shall accord for products listed in the Table, originating in Turkey, treatment not less favourable than that accorded to the European Community.

Article 3

For products listed in the Table, originating in an EFTA State, Turkey shall accord treatment not less favourable than that accorded to the European Community.

Article 4

With respect to products falling within Chapters 1 to 24 of the Harmonized Commodity Description and Coding System other than those listed in the table to this Protocol but not listed in Annex I to the Treaty establishing the European Community, Turkey and the EFTA States shall accord each other the same concessions as they accord the European Community.

Article 5

1. The EFTA States shall notify Turkey and Turkey shall notify the EFTA States of all measures applied under Article 1 of this Protocol.
2. Turkey and the EFTA States shall inform each other of all changes in the treatment accorded to the European Community.

Article 6

The EFTA States and Turkey shall review periodically the development of their trade in products covered by this Protocol. In light of these reviews and taking into account the arrangements between the Parties and the European Community or in WTO commitments, the EFTA States and Turkey shall decide on possible changes to the product coverage of this Protocol, as well as on a possible development of the measures applied under Article 1 of this Protocol.
